Safe ironing

- Self-Clean for long-lasting steam performance

Comfortable ironing

- Auto Steam Control for the right steam for each garment
- Optimal weight for easiest manouvrability over your garments
- Triple precision tip for optimal control and visibility

PHILIPS

Highlights

2600 W for quick heat up

2600 W for quick heat up and powerful performance.

Steam up to 45 g/min

Continuous steam output of up to 45 g/min gives you the perfect amount of steam to efficiently remove all creases.

Steam boost up to 200 g

The iron's 200 g steam boost enables you to easily remove even the most stubborn creases.

SteamGlide soleplate

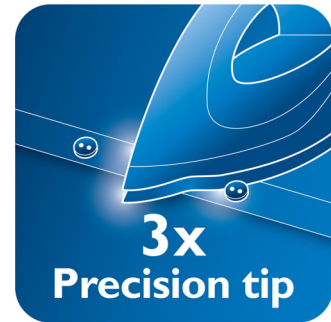

The SteamGlide soleplate on the Azur Performer steam iron gives an experience of premium gliding, great scratch resistance and is easy to clean.

Auto Steam Control

Auto Steam Control takes away your worry for selecting the amount of steam you need. Just select the temperature for the garments you're ironing and off you go.

Triple Precision Tip

The pointed tip on the Philips Azur Performer is very precise in 3 ways: it has a pointed tip, button groove and a sleek design of the nose. The Triple Precision tip enables you to reach even into the most tricky areas, e.g. around the buttons or between the pleats.

Optimal weight

The iron has the optimal weight to move easily over any garment, making ironing less of a hassle and easy to constantly place the iron on the board and back to its heel rest.

Self-Clean

In addition to the Quick Calc Release a more thorough clean of your soleplate will remove the most stubborn calc. A clean soleplate will improve your steam performance and ironing results.

Specifications

Fast & powerful crease removal

- Soleplate: SteamGlide
- Continuous steam output: 45 g/min
- Steam boost: 200 g
- Vertical steam
- Spray
- Power: 2600 W
